WORLD'S RECORD IS BROKEN

Two Missourians Make Clean Score in Team Contest.

OMAHA MARKSMEN ARE CLOSE BEHIND

Local Contestants Bring Down Dozen More Birds with First Rarrel-Champions Will Be Matched Today.

All shooting records were broken by two of the Kansas City configent in the Omaha-Kansas City live bird contest yesterday at the Dupont Gun club grounds, C. Cockrell and Allen of the Missouri team making clean score of fifty birds. Fifty birds have been killed without a miss before, but never before in the history of the American association bave they been brought down in an event where ten-men teams contested. The highest previous record was for y-n ne birds, while the highest record previously established in the Omaha-Kansas City championship contests was forty-eight. This score was made by Hardin last year at Omaha

and Cockrell the year before at Kansas City. The day was ideal for shooting and the men of both teams were in good form. The Pesult was that the scores are generally higher than those of former years, and while Omaha is five birds behind the men from the mouth of the Kaw, the team has the satisfaction of knowing that it has shown no right of degeneration. The score further shows that while Kansas City's team is credited with five birds to the good, the Nebraskans killed an even dozen more with the first barrel than their competitors. This may mean much or little, as many

Omaha began to rise. F. N. Cockrell of Kansas City added to their hopes by missing his first bird, which came from the fourth trap as a right-quarter outgoer. Four of his dead birds fell beyond the bounds and his credited score was forty-one.

Excellent Work of Kimball. Kimball, for Omaha, killed his first

bird, which came directly toward him, from the first trap. Three of his birds fell beyond the bounds and his score was fortyseven, although he killed every bird.

At this point Omaha was but two birds behind and the outcome of the day was very much in doubt when Allen of Kansas City came to the fore. His first bird was a difficult right-quarter from the third trap. It took two barrels to bring it to the ground and then the Missourian proceeded to kill fifty pigeons without stepping and every one of them fell inside of the bounds Omaha was then seven birds behind the visitors and gained but two during the day. Thomas Kimball, for Omaha, killed his first bird, an incomer, from trap 5. He sed but two, but three fell outside of

Cockrell Makes Straight Score.

The contest opened with C. Cockrell of Kansas City at the traps. His first bird was a left quarter from the fourth trap, it recuired the second barrel to make a killing. From that lime it was 'tang, bang,' any a world's record was broken when he laid down his gun after the firtjeth pigeon had fallen.

For Omaha W. Hardin was pitted against the record-breaker from Kansas City. His first bird, from the first trap, started directly for his gun barrel, and one shot settled matters with it. This encouraged the home team, but its joy was short, for the birds came from the trap in a manner to mystify the most experienced shot. CHICAGO. Nov. 30.—Persistent fouling lost Dave Sullivan of New York his fight with Ole Oison tonight at the Illinois Athletic club. After the first round, in which he had decidedly the worst of it. Sullivan resorted to choking and elbowing in the clinches, despite the constant warnings of Referee Siler to desist. Finally, in the third round, the New Yorker's unfair tactics became so flagrant that Siler was compelled to disqualify him and give the fight to Oison. The fight as far as it went was a lively affair. Oison staggered Sullivan with two straight lefts to the jaw during the first three minutes and had considerably the better of it at the end of the round. No complaint could be made on Sullivan's work in this round, but in the second round he seemed determined to rough it. At this style of fighting he outchassed Oison and at the end of the second round matters stood about even. Sullivan's behavior in the next round was worse than in the preceding. As soon as Sullivan would get in a clinch he would entwine Dave Sullivan Loses on Foul. van's behavior in the next round was worse than in the preceding. As soon as Sullivan would get in a clinch he would entwine both hands around O'son's throat and hang on until the referee pried them apart. Sullivan was cautioned for each offense and it was plainly evident that he was making no effort to fight fair. Sullivan protested vigorously at the verdict, but it availed him nothing.

French Wrestler Wins.

French Wrestler Wins.

NEW YORK, Nov. 30.—Paul Pons, the French wrestler, tonight at the Grand Central palace, succeeded in putting John Plening of this city to the boards twice in succession after a most interesting, although one-sided wrestling bout. The men wrestled under the Gracco-Roman rules, best two in three falls.

The Frenchman assumed the aggressive as soon as the men had shaped themselves, trying all sorts of bodyholds and succeeded in flooring Plening after one minute of wrestling. But the New Yorker regained his feet and came back cautiously. The men pulled and tugged each other, Pons always being the aggressor. After about twenty minutes of this work the Frenchman tried a hammer hold, but failed. Again he tried a hammer hold, Plening flooring him. On his third try for a hammer hold Plening was prepared, but Pons varied his hammer hold to a half-Nelson and threw the New Yorker like a log. Time of fail, 29:31.

The second bout was simply a repetition

29:31.

The second bout was simply a repetition of the first. Pons was always on the aggressive and swung his attack from the hammer hold to a half-Nelson. Pons again lured his opponent into a trap and for the second time Pleaing went to the floor. Pons getting the second fall and winning the match. Time of second fall, 3:21.

Lyons Easily Defeats Kane.

DENVER, Nov. 20.—Harry Lyons of Chicago won from Jack Kane of San Francisco in seven rounds of what was to have been at en-round go before the Colorado Athletic association tonight. With Kane's left eye ered with blood, which was flowing in streams from his nose, the referee awarded the fight to Lyons at the end of the seventh round. It was a humane step, as Kane's condition was pittable. Kane was very game, however, and willingly mixed it up with Lyons, although his damaged eye-sight prevented anything like accuracy in hitting. Lyons outclassed Kane in every way and finished the fight without a scratch and is apparently in as good condition as when he entered the ring.
